

NIRAJ ARYAL

Palo Alto, CA | 650-619-8773 | naryal@tesla.com | linkedin.com/in/aryalniraj1

PROJECT COORDINATOR | TECHNICAL & OPERATIONS PROJECTS

Results-driven operations professional transitioning into project management. Combines hands-on experience at Tesla, executing complex R&D projects, with a proven ability to lead technical software projects from concept to deployment. Adept at bridging the gap between engineering teams and operational execution to ensure project milestones are met on time.

CORE COMPETENCIES & SKILLS

Project Management:

Project Lifecycle Management, Stakeholder Communication, Risk Assessment, Agile & Waterfall Methodologies, Scope Definition, SOP Development

Technical Skills & Tools:

Python, SQL, Pandas, Data Analysis, Workflow Automation, API Integration, JIRA, Notion, Firebase, Tableau, Excel (Advanced)

PROFESSIONAL EXPERIENCE

TESLA, Palo Alto, CA

Data Collection Specialist - Optimus | Feb 2025 - Present

- Coordinated and executed complex robotic testing scenarios, acting as the key liaison between R&D engineering and operational teams to meet project deadlines.
- Managed daily testing schedules and resources, maximizing hardware utilization and data throughput to accelerate engineering milestones.
- Identified and escalated hardware and software risks in real-time, improving the engineering feedback loop and reducing project downtime.

BAgentAI, Remote

Founder & Project Lead | 2025 - Present

- Managed the full project lifecycle, from scoping business requirements and defining technical deliverables to deploying an AI-driven workflow automation platform.
- Led stakeholder engagement, translating complex AI concepts into clear business value and ensuring project alignment with client needs.

YANCEY'S FANCY, Corfu, NY

Operations Lead | Jul 2023 - Jul 2024

- Directed daily production floor operations, managing schedules and allocating resources to consistently meet output targets.
- Analyzed and optimized packaging line workflows, identifying and resolving bottlenecks to improve overall throughput.

EDUCATION & CERTIFICATIONS

Florida A&M University, Tallahassee, FL

Project Management Certificate (In Progress) |

Google x Kaggle, Online

AI Agents Intensive Certificate | Issued Dec 2025

San Francisco State University, San Francisco, CA

B.S. in Business Administration, Minor in Information Systems | 2023
